Just have been very busy with other site work here.

I have an assigned site manager for this site (along with Cornell) and will ask her to help set it up.

Thanks,
Fred

Hi Fred:

I hope you are well. Happy New Year (federal new year that is!).

I am sending you this email chain on Woodbrook Road. As you may know, we have a contractor on board to assist in our review of the selected remedy. We need to provide some technical direction on the subject of compliance averaging and very much want to meet with you and your technical team (I think that is Kevin Schick and Greg Neumann) as soon as possible, to assure that NJDEP input on this subject is fully considered. We have had some difficulty in getting a meeting on the calendar and I am wondering if you can assist? This matter is becoming time critical for us.

Please let me know if you would like to discuss further. I am at 212-637-4399. Talk to you soon.

Kim

Hello Diane,
Rather than me scheduling the meeting you have requested, I am asking Fred Mumford or

have an assigned Site Manager to take the lead on scheduling the meeting. I am out on vacation 10/4 & 5.

Good morning

I would like to set up a call with you to discuss the Woodbrook Road Dump site, including the possibility of compliance averaging. Please let me know what days you have available in the next few weeks (10/4 or 10/11), please include Fred Mumford in the schedule.

Thanks
